Mrs. Heritage's Kindergarten Class

What's New?

ABC BOOTCAMP!

This week, we learned the names and sounds of letters A-D. We practiced forming each uppercase and lowercase letter with play-doh and writing them with our dry erase markers. Ask your child to tell you the animal name and action that goes with the letter of the day. So far we have met Allie Alligator, Bubba Bear, Catina Cat, and Dee Dee Dear. Display the letter "poster" that your child makes each day, and use these to review the letters and sounds at home.

Coming Up!

Go Math!

Next week, we will begin **Go Math!** This is our math curriculum at school. We will do lots of fun, hands-on math activities at school, and complete some workbook pages together in class.

Your child will bring home their finished workbook pages to show you, and there will be a "homework" page stapled to them for you to do together at home. These will come home as we finish each lesson, usually (but not always) every day. The homework page does **NOT** need to be returned to school. 😊

Next Week's Schedule

Mystery Box person will bring an item from home that begins with the letter of the day.

Monday 9/12 ABC Bootcamp Letter E
PE, Art Mystery Box: Sophia

Tuesday 9/13 ABC Bootcamp: Letter F
PE, Music Mystery Box: Jianna

Wednesday 9/14 ABC Bootcamp: Letter G
PE, Library Mystery Box: Adam

Thursday 9/15 ABC Bootcamp: Letter H
PE, Music Mystery Box: Olivia

Friday 9/16 ABC Bootcamp: Letter I
PE, Computer Time Mystery Box: Rylie

This week we got to go to the Wonder Room each day! This is a special playroom only for Kindergarteners. The kids are able to build with big blocks, paint, pretend to cook and work at a restaurant, be a veterinarian, wear costumes, design a dollhouse, and explore the sand table. They learn to share and socialize, too. 😊
